YEARBOOK APPLICATION

2019-2020 Yearbook Staff Application- READ CAREFULLY

Name: _____

Grade Level next year: 8th 9th

Email Address: _____

Are you willing to stay after school at events to take pictures? YES NO

Are you involved in activities (SBO, cheerleader, athlete, manager...) that cause you to leave school early?
YES NO

Why do you want to take yearbook?

Yearbook is not a regular class but takes place during RAP. Being chosen for the yearbook staff automatically puts you into the Yearbook RAP class. This can interfere with some of the performing classes who use RAP as practice time. Please attach a current report card to this application and turn it in to the counselors. You will get an acceptance letter from Mrs. Wiedeman if you are selected to be a member of next year's Yearbook Staff!

SPECIAL REQUESTS

- If you know you have a special need for next year, you may write this on the back of your registration form.
- **DO NOT ask for:** art 1st period, P.E. 2nd period, science 3rd period. This won't happen.
- **DO ask:** I have fall allergies and so I need P.E. in the spring. I will probably play a sport and so I need an easier classes 4th/8th period. For health reasons I need 1st lunch.
- You can request teachers, **BUT** be wary of rumors and what you hear from other students. Just because one person struggled with a teacher, doesn't mean you will.
- We are not able to accommodate every request because of various conflicts in your schedule.

QUIZ

- When is this form due?
- What do you need to turn in if you want to take an honors class?
- How many alternate classes should you list?

FILL OUT FORM
