SNAP: (Student Neighborhood Accessing Plan)

- We haven't had a current SNAP plan for several years.
- We need to walk the routes to look for hazards. Doug will assign streets to walk and document hazards.
- No crosswalk on 1000 South and 100 East, Bountiful

Bond Reminder: Remember to vote! Mail it in. Beverly Ward has yard signs. Marisa found out PTA can endorse the bond, but we cannot use school resources to do so.

Bountiful Math Circle: Held every Saturday at 10:30 at the Bountiful Library, for all Bountiful residents. November 17 AMC8 Math competition, extra tests ordered if anyone else is interested. (110 ordered)

PTA News: Awesome Red Ribbon Week, great luncheon from PTA for Parent Teacher Conference, some donations and membership fees used. November 2-6 will be the food drive, partnering with the high school. Bountiful High will pick up food. Would it be possible for students to make up U's for donating a certain amount of food? Give paper to Marilyn to sign off?

Counselor Corner: Monster Mash, held Friday October 23. Dancing and carnival, \$3.00 entrance fee. Sponsored by HOPE Squad and Agency. Donations will go to Sub for Santa. Let's make sure custodians don't prevent kids from going to the main school area to get their needed items.

School News: Review of 2015 SIP and Data and Preview Of 2016 SIP

End of Term 1 October 29: Report cards will not printed, can access them on MyDSD. Mr. Jackman would like to keep promoting App for parents, some parents don't like it, but will try it out again for Brock.

Other: How is dress code this year? No issues this year. Same code as last year. What is teacher morale like? Brock senses morale is good right now, better than last year. Hallways are better than expected. Morale was stressed because of construction, but it was fear of change. Once we got in there and over the hump, we discovered it wasn't so bad. Great relief.

Next Meeting: January 28, 2016
